

**COVID19 – a guide to information resources**

LKS ASE has created this guide to allow you fast and easy access to free content from publishers, research organisations and universities released on the web in response to the COVID19 Pandemic. The guide is updated daily with new links and is free to use from the [LKS ASE website](#).

Follow the [@LKS ASE](#) Twitter tag for [#covid19ase](#). LKS ASE has created four planned searches on prehospital topics as part of national initiative you can find them [here](#).

If you would further searches contact the library [ [library@nwas.nhs.uk](mailto:library@nwas.nhs.uk) ].
